Parties' Joint Status Report

Now come the parties, by and through counsel, and hereby provide this Joint State Report to the Court. Since the last report to the Court, dated December 15, 2022, the parties are continuing to engage in discussions towards a private mediation. Presently, the active discussion surrounds the identification of a mediator and the scope of any information pertaining to season pass usage numbers to be exchanged solely for purposes of mediation. Plaintiffs have proposed mediators and made a proposal for the scope of information to be exchanged, and the Defendants owe a response to further advance the discussions. It is expected that these discussions can be further advanced in the next 45-60 days.

In the meantime, Defendants have also filed their renewed Motion to Dismiss the legal impact of the Ohio Supreme Court decision in *Valentine* on the remaining claims and issues

presented. It is expected that the renewed Motion to Dismiss will be decisional for the Court on or about March 1, 2023.

The parties hereby agree to notify this Honorable Court once the private mediator has been selected and a mediation date set.

Dated: January 31, 2023

Respectfully submitted:
